SCHOOL FEE AGREEMENT

All families who require flexible payment arrangements must have a current School Fee Agreement. This Agreement gives advice to your school regarding your preferred method, frequency and amount of your payment. If you do not have a current agreement or you would like to amend your existing agreement, please download from the CEO website and submit it to the College office.

SCHOOL FEE CALCULATOR FOR PERIODICAL PAYMENT AMOUNTS

If you are paying fees periodically i.e. weekly, fortnightly etc. please utilise the online *School Fee Calculator* located on the CEO website to calculate your payment, alternatively you may contact the College Office. It is important to review your payment amount each year as school fees will vary.

FEE CONCESSION APPLICATIONS

If your family will experience difficulty in payment of fees, an Application for Fee Concession must be made. Applications are available from the school's office. Applications are not considered without supporting evidence, an interview with the Principal or delegate. Concessions granted are subject to an annual review.

LEAVING EARLY/COMMENCING LATE IN THE SCHOOL YEAR

Please refer to the Diocesan 'Diocesan School Fee Method of Calculation' if your child or children leave or commence school during the year and therefore do not attend for a full year. These guidelines give advice in relation to what fees will be charged or refunded.
